1. Purpose

- 1.1. This Policy supports Ladybank Golf Club's approach to the accessibility, development, and promotion of Junior golf.
- 1.2 The Policy aims to provide [Ladybank Golf Club](#) members, officials, golf professionals and members of the public information regarding the structure of Junior golf within the Club.
- 1.3 The Policy supports the Ladybank Golf Club constitution, in particular section 4.6 which concerns Junior membership.

2. Introduction

- 2.1 [Ladybank Golf Club](#) has an established Junior Section which provides access to coaching and competitions.
- 2.2 The Junior Section is coordinated by the Assistant Professional, supported by volunteer Level 1 golf coaches and parent helpers.
- 2.3 The promotion of golf taster sessions, delivered to primary school children by the Assistant Professional, has identified a need to provide further opportunities outside of school hours. This has led to the creation of a Junior Golf Academy.
- 2.4 The Academy will provide coaching opportunities outwith membership of Ladybank Golf Club with the aim of encouraging attendees to join the Junior Golf Section.
- 2.5 The concept of introducing, developing and nurturing children who are interested in golf is represented in the diagram below.

Junior Pathway Development

3. Data Protection

- 3.1 The [Data Protection Act 1998](#) sets rules for anyone keeping, using or processing personal information on individuals.
- 3.2 [Ladybank Golf Club](#) robustly manages the personal data of all Junior members and any applications for membership to the Club or Junior Golf Academy.

4. Junior Golf Section

- 4.1 A child can apply to become a member of Ladybank Golf Club upon reaching 8 years of age. The Application Form (Appendix A) requires to be sponsored by 2 existing adult members of Ladybank Golf Club. However, should circumstances arise whereby an applicant (or their parent/guardian) does not know any members, contact should be made with the Assistant Professional for advice. Please note the reference to £100 deposit does not apply to Junior membership applications.
- 4.2 An emergency contact details form (Appendix B) should also be completed upon application to join the Junior Golf Section.
- 4.3 Section 4.6 of the Club constitution provides further details concerning Junior membership.
- 4.4 Junior memberships are renewed on an annual basis on 1 February. The renewals are intimated by post due to Club policy on the governance of Junior personal details. The membership fee is commensurate with the age of the child and information is included on the Application Form (Appendix A).
- 4.5 The offer of new membership will be processed after the renewals have been processed. A letter of offer for membership will be extended by post shortly after 1 March.
- 4.6 Upon becoming a Junior member, the child is eligible to play in competitions and is entitled to member benefits.
- 4.7 Junior members can also access coaching, provided by the Assistant Professional, supported by volunteer Level 1 golf coaches and parent helpers (see Section 7).
- 4.8 All Junior members wishing to participate in coaching sessions must complete an enrolment form (Appendix C). A non-refundable fee is required which provides access to all coaching sessions.
- 4.9 The coaching sessions are divided into 2 groups, with Juniors attending on a fortnightly basis (Appendix D).
- 4.10 Junior Section members receive a discounted rate for coaching due to their membership of the Club.

5. Junior Golf Academy

- 5.1 A child can apply to become a member of the Junior Golf Academy between the ages of 5 and 12 years of age.
- 5.2 The concept of the Junior Golf Academy is to introduce children to golf and encourage their interest to such an extent that they naturally migrate to the Junior Golf Section, thereby becoming members of Ladybank Golf Club.
- 5.3 The Junior Golf Academy is structured in 2 blocks; April to June (Summer school term) and August to October (Autumn school term).
- 5.4 The Junior Academy Coaching Enrolment Form (Appendix E) should be completed and submitted for the attention of the Assistant Professional.
- 5.5 Upon application, a non-refundable fee is required which provides access to a block of coaching.
- 5.6 The coaching sessions are divided into 2 blocks, with Juniors attending on a fortnightly basis (Appendix F).
- 5.7 Membership of the Junior Golf Academy does not provide member benefits associated with Ladybank Golf Club.

6. Child Protection

- 6.1 The [PVG Scheme](#) was established by the Protection of Vulnerable Groups (Scotland) Act 2007. This legislation requires any person who works - whether paid or unpaid – with children and protected adults in the UK to be registered, confirming that there is no known reason why an individual should not work with these groups.
- 6.2 All persons working with children at Ladybank Golf Club are PVG accredited.
- 6.3 Further information regarding child protection in golf can be viewed at the [Scottish Golf](#) website.
- 6.4 The Child Protection Officer at Ladybank Golf Club can be contacted for further details on Child Protection policy (see Section 12).

7. Coaching

7.1 Staff

- 7.1.1 The Assistant Professional is responsible for the delivery of all Junior coaching at Ladybank Golf Club.

7.1.2 The Assistant Professional is also responsible for the recruitment, training and development of all volunteer Level 1 golf coaches. The enlistment of parent helpers also falls within this remit.

7.2 Lesson plans / structure

7.2.1 The essential element of Junior golf development at Ladybank Golf Club is “learning through fun”.

7.2.2 The delivery of coaching is aligned with the [Scottish Golf](#) (ClubGolf) strategy for attracting and retaining more Juniors and adults in golf.

7.2.3 As a guide, the following ratios are recommended in the National Care Standards Early Education and Childcare up to the age of 16 (Scottish Executive, 2005):

- Age 3 and over, 1:8
- If all children are over 8, 1:10

7.2.4 In terms of coaching Scottish Golf recommends a ratio of 1:6.

7.2.5 Ladybank Junior golf coaching will be delivered with a minimum coaching ratio of 1:10. However, good planning and voluntary parental support should ensure the majority of coaching sessions conform with Scottish Golf recommendations.

7.2.6 Lesson plans are created by the Assistant Professional, supported by the volunteer Level 1 golf coaches. Each session is structured in a manner which can be scaled to provide the correct level of challenge commensurate with the ability of the child. Learning outcomes are set to be challenging but achievable at all levels of ability.

7.2.7 Lesson plans will focus on a different skill per coaching session with the aim of making the Junior competent to play the Championship course.

7.2.8 Coaching sessions are unaffected by poor weather. Whilst coaching staff will endeavour to keep sessions outside, there are clubhouse facilities and indoor golf equipment which allow coaching to continue in the event of adverse weather.

7.2.9 Junior Golf Section coaching will mainly take place on the warm up area adjacent to the Professional Shop, however sessions may also be delivered on the practice area and Championship course.

7.3 Equipment

7.3.1 In order to achieve competency at all levels of golf, it is important to have the correct size of clubs. Junior clubs are graded according to the height of the child and the Assistant Professional or volunteer Level 1 golf coaches can assist in ensuring the child is provided with the correct size of clubs for coaching sessions.

7.3.2 Ladybank Golf Club Junior Section has a variety of sizes of clubs which can be loaned free of charge to children for the duration of the coaching sessions.

7.3.3 Parents/guardians who wish to purchase equipment for their child/children should discuss their requirements with the Professional Shop staff.

7.4 Dress Code

7.4.1 Junior Golf Academy members do not have a specific dress code as they are limited to supervised coaching sessions on the warm up area.

7.4.2 Junior Golf Section members are expected to conform with the dress code of 'Smart Casual' which is applicable across all other sections of the membership. This means NO denim jeans, football/rugby tops/shorts, collarless tee shirts or track suits are permitted on the Championship course or in the Clubhouse.

7.5 Code of Conduct

7.5.1 The Assistant Professional and volunteer Level 1 golf coaches sign a Code of Conduct (Appendix G) and are accountable to the Child Protection Officer.

7.5.2 Parent helpers are not required to sign the Code of Conduct but should be aware of its content and conduct themselves accordingly.

7.5.3 The good conduct of all children during coaching and competitions is a requirement primarily based on safety. It also engenders respect for other members and visitors to Ladybank Golf Club.

7.5.4 Conduct which is deemed dangerous or reckless by the Assistant Professional or volunteer Level 1 golf coaches can result in the child being removed from a specific activity. Persistent misconduct can lead to exclusion from the entire session, with repeated issues leading to permanent removal from the coaching group. In such cases, no refund of coaching payments will be made.

7.5.5 A Risk Assessment for golf coaching activity has been prepared (Appendix H).

8. Competitions

8.1 Attaining a handicap

8.1.1 Ladybank Golf Club Junior Section operates 2 types of handicap system.

8.1.2 A Council of National Golf Unions (CONGU) handicap can be issued to any Junior member who completes 3 scorecards on the Championship course, either during competitions or supplementary rounds. These scorecards must be verified as per the [Rules of Golf](#).

8.1.3 Junior members transferring from another Golf Club and who have an existing CONGU handicap, can have this transferred to their Ladybank Golf Club

membership. Junior members should consult with the Assistant Professional for further information.

- 8.1.4 Juniors reaching a handicap of 12 or less may play in adult stroke-play competitions providing a request is made in writing to the Secretary and written approval is given.
- 8.1.5 Juniors are permitted to enter knockout competitions except The Annsmuir and Angus Johnstone.
- 8.1.6 Juniors who are eligible to play in adult competitions must play in the company of an adult member and cannot enter the sweep.
- 8.1.7 However, the majority of Junior members will not have reached such a level of proficiency and in support of the 5-stage system described at Section 8.3 below, a Club handicap will be allocated.
- 8.1.8 A Club handicap is a local handicap, achieved when playing competitions or submitting supplementary scorecards on either the "Wee Course" (see section 8.4), or a reduced version of the Championship course.
- 8.1.9 A Club handicap can be achieved by submitting a minimum of 3 cards, verified by a parent/adult accompanying the Junior member.

8.2 Competition Structure / Fixture List

- 8.2.1 All Junior competitions are held under the [Rules of Golf](#) with a focus on enjoyment, positive experience and encouragement.
- 8.2.1 Ladybank Junior Golf Section members have the opportunity to compete in weekly competitions between April and October.
- 8.2.2 A Fixture List is created by the Assistant Golf Professional and circulated with membership renewals or with the initial membership invitation. The Fixture List is also posted on the Ladybank Golf Club website and notice boards.
- 8.2.3 Competition formats include;
 - Strokeplay
 - Stableford
 - Matchplay
 - Adult/Junior
 - Inter-section (Junior/Seniors/Ladies)
 - Inter-Club (other Junior sections)
 - Short Game League
 - Footgolf

8.3 The 5 Stages of Becoming a Competent Golfer

8.3.1 Ladybank Junior Golf Section provides a 5-stage approach to becoming a competent golfer. This provides each Junior competitor with a challenge commensurate with their ability.

8.4 Stage 1

8.4.1 The main practice area is located behind the 8th tee and has been laid out and measured as an official Junior 9-hole competition course.

8.4.2 The course is designed to provide Juniors with their first experiences of playing competition golf without any perceived intimidation of the Championship course. The distances of each hole are slightly shorter than the Championship course, with local rules assisting the progress of play.

8.4.3 The Junior course, often referred to as the "Wee Course", allows Juniors to develop their game and achieve their first handicap. Once a level of

confidence and proficiency are achieved, the Junior will discuss their progression to the Championship course with the Assistant Professional and/or the volunteer Level 1 golf coaches.

8.4.4 It is anticipated that 9-hole competitions on the “Wee Course” should take about 1.5 hours.

8.5 Stage 2

8.5.1 Stage 2 Juniors have the option of remaining on the “Wee Course” or progressing to the Championship course and using the red discs which are embedded in the fairway.

8.5.2 A Stage 2 Junior is encouraged to attain a Club handicap of 27 for 9 holes of play.

8.6 Stage 3

8.6.1 Stage 3 Juniors progress to playing from the blue discs which are embedded in the fairway of the Championship course.

8.6.2 A Stage 3 Junior is encouraged to attain a Club handicap of 15 or less for 9 holes of play.

8.7 Stage 4

8.7.1 Stage 4 Juniors progress to playing from the white discs which are embedded in the fairway of the Championship course.

8.7.2 A Stage 4 Junior is encouraged to attain a Club handicap of 7 or less for 9 holes of play

8.8 Stage 5

8.8.1 Stage 5 Juniors progress to playing from the Blue (boys) or Red (girls) tee markers on the Championship course.

8.8.2 Stage 5 Juniors are encouraged to attain their first CONGU handicap.

8.8.3 Stage 5 Juniors can extend competitions to 12 or 18 holes following discussion and decision by either the Assistant Professional or volunteer Level 1 golf coaches.

8.9 Competition Entry

8.9.1 All Junior competitors are encouraged to sign-up for each competition. This can be achieved by contacting the Professional Shop on 01337 830725.

8.9.2 Late entries can be accommodated on the day of the competition however the Junior players may be added to the end of any draw for order of play.

- 8.9.3 Equally, cancellations should also be notified as per contact details at Section 8.9.1 above.
- 8.9.4 Junior competitors should aim to arrive about 30 minutes prior to the published start time. This will allow players time to prepare and be allocated specific tee times.
- 8.9.5 Each Junior competitor should ensure their name is recorded on the sign-up sheet prior to playing. The sheet should clearly indicate their handicap and colour of tee being used. The Assistant Professional, member of Pro Shop staff or volunteer Level 1 golf coaches can assist with these details.

8.10 Scorecards

- 8.10.1 Scorecards are available for all 5 Stages listed above. Junior competitors should ensure they select the correct scorecard for their level prior to playing.
- 8.10.2 Local rules are printed on the rear of the Junior Scorecards.
- 8.10.3 Stage 1 to 4 Juniors should have their scorecard marked by a parent/adult.
- 8.10.4 Stage 5 Juniors should be encouraged to swap scorecards within their group, playing in accordance with the Rules of Golf.
- 8.10.5 Completed scorecards must be signed and returned to the Junior scorecard box which is located next to the Competition Entry Computer in the foyer of the Clubhouse.
- 8.10.6 Junior scorecards are also available for use during social golf and can be supplied by any of the Professional Shop staff.

8.11 Competition results and prizes

- 8.11.1 All Junior competitions are electronically recorded using Handicap Master software. This is the same system used by other sections of the Club and generates all competition results and also refreshes handicaps.
- 8.11.2 All Junior results are processed as soon as possible, with the results being published on the Junior newsletter, Head Professional's newsletter, Facebook and the Junior notice boards.
- 8.11.3 Prizes are not awarded until the official Prize Giving at the end of the season. They are a combination of trophies and vouchers awarded by the golf club for the Pro Shop.
- 8.11.4 Where sponsors provide items for the Junior Golf Section, the Assistant Professional will decide the manner in which these are awarded. For example, consistent attendance at coaching or competitions, recording a Junior course record or other example of commitment may merit a sponsor's award.

8.12 Supplementary Scores

- 8.12.1 Supplementary scores can be submitted when a Junior member cannot attend competitions due to other commitments.
- 8.12.2 Stage 1 to 4 Juniors should have their scorecard marked by a parent/adult.
- 8.12.3 Stage 5 Juniors should be encouraged to swap scorecards within their group, playing in accordance with the Rules of Golf.
- 8.12.4 Further advice in respect of supplementary scores can be obtained from the Professional Shop.

8.13 Away Scores

- 8.13.1 A signed copy of the scorecard from the golf course played must be returned to the Junior scorecard box, in addition to making an entry in the away scores folder next to the Competition Entry Computer.
- 8.13.2 Further advice in respect of away scores can be obtained from the Professional Shop.

9. Media / Photography

- 9.1 Throughout the season Junior members may be photographed at coaching, competitions and various events. These photographs may be used for display purposes in the Junior newsletter, on the club website or social media sites. On occasion, Junior members may also have their photograph printed in the local papers e.g. The Fife Herald, The Courier etc.
- 9.2 From time to time visitors attend coaching sessions to work with the children. They may request permission to take photographs of the children to help publicise their work. These photographs are used within their own publications and may appear on their website.
- 9.3 Please note these persons are not permitted access to the Junior Section unless they have a PVG certificate. They will also be supervised by the Assistant Professional or volunteer Level 1 golf coaches at all times.
- 9.4 Ladybank Golf Club respects the wishes of parents/guardians at all times with regard to inclusion/exclusion of their child/children from such photographs. A permission form (Appendix I) should be completed at the beginning of every season and forwarded to the Assistant Golf Professional.
